

**REALIZING GOALS**  
**Identifying Time and Talent for 2014 Activities**

*The mission of the Church is to restore all people to unity with God and each other in Christ.*

Holy Trinity Mission Statement: *Holy Trinity is called to recognize, communicate and celebrate God's presence within, among and around us.*

The parish has worked hard to define Holy Trinity's goals and objectives. The time has come for us to act. On these two pages, you'll see a number of activities that have been proposed by parishioners as vital to the mission of Holy Trinity Church for the five-year period beginning in 2014. Kindly sign your name next to the activities that interest you most and to which you would like to offer your talents and energy. Please recognize that we will only be able to move forward on those activities that have both support of our parish and willing volunteers to help meet these goals and objectives.
