Join us as we take a look at the book **Half Truths** by Adam Hamilton (*Book not required*)

Join Adam Hamilton in exploring popular sayings that miss the point. They are simple phrases: "*God helps those who help themselves*," "*Love the sinner, hate the sin*," and others. They sound Christian - like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Discover the whole truth by comparing common Christian clichés with the wisdom found in Scripture. - Christianbook.com

*This program jointly sponsored by the congregations of
New Hope UCC, Bethlehem Lutheran, & Holy Trinity Episcopal*
