

## THE POETRY OF LENT PRINTING INSTRUCTIONS

Thank you for purchasing SALT's Lenten Devotional, "The Poetry of Lent." We hope this little resource will help you prepare the way, making room for careful attention to what matters most.

**HOW TO CUSTOMIZE THE EDITABLE PAGE:** Page #1 (Back Cover) is editable. Before printing, simply click on the text box on this page to add any worship service times or special event details for your community.

### HERE ARE SIMPLE PRINTING AND ASSEMBLY INSTRUCTIONS:

1. Load 6 sheets of legal-sized paper in your printer.
2. Download file and open in your PDF reader of choice (Acrobat Reader, Preview, etc.)
3. Open Print Dialog Box
4. FOR ALL PRINTING:
  - Set paper size to US Legal
  - Set paper orientation to Landscape
  - IMPORTANT: Select "Actual Size" or "Scale at 100%" so the document does NOT fit to page.
5. IF YOU CAN PRINT DOUBLE SIDED:
  - Select double-sided printing and you should be set to print all pages at once.

IF YOU CANNOT PRINT DOUBLE SIDED:

  - Print pages 1, 3, 5, 7, 9 and 11
  - Reload the paper you just printed on, the same direction but flipped over so it will use the other sides
  - Print pages 2, 4, 6, 8, 10 and 12
6. Assemble booklet by putting all six pages together, taking note of the order (pages are numbered). Fold in half.
