- **Opportunity For the Tri-Community (OpT)** - Southbridge, Sturbridge & Charlton - is based in Southbridge, a small group of people working together with organizations, agencies, individuals, town officials, and business owners, with a vision to help lift folks in Southbridge, Sturbridge & Charlton out of poverty by increasing opportunity. OpT requires data so that statistics can record poverty rates now and, in the future, - in order to track success. In order to do this a survey has been developed - ALL residents of Southbridge, Sturbridge and Charlton are encouraged to take this survey - it will take just 5 minutes. Hard copies of the survey are available on the table at the back of the church, in the narthex or from Tamsin Lucey or Susan Howland - if you prefer to take the survey on line - please contact Tamsin Lucey or Susan Howland who will email the link to you. The survey is available in both English and Spanish. ~Tamsin Lucey & Susan Howland
